Whereas the Provincial Government has had the first reading of Bill 100, supporting Ontario Trails Act;

And Whereas with the possibility of Bill 100 proceeding further, private property owners are in the process of revoking land use permits with our local snowmobile clubs and other OFSC snowmobile clubs throughout the province, thereby causing safety and economic concerns for our area;

And Whereas the harmony between snowmobile clubs and private property owners is being undermined by the Act;

Now Therefore be it resolved that the Township of Perry petition the Provincial Government to take the necessary steps to immediately resolve the issue of snowmobile trails being closed due to the fact that private property owners feel their property rights may be taken away by the passage of Bill 100;

And Further that a copy of this resolution be forwarded to the Premier of Ontario, the Minister of Tourism, Culture and Sport, and Norm Miller, M.P.P.
