Delegations

OPP Staff Sergeant Stacey Whaley attended to update Council on events that occurred in 2015 within Perry Township. The OPP have been putting more emphasis on the offender management focus and were successful with the lock it or lose it campaign. The action plan and core fundamentals are not changing and we are in year three of the four year plan. Council thanked Staff Sergeant Whaley for attending and providing a policing update.

Mary Johnston submitted a letter to Council regarding the new Clear Bag Program. Ms. Johnston explained to Council that the municipality did a poor job of notifying ratepayers. She also commented on the negative experiences she has had at the transfer station with the new program. Mayor Hofstetter explained that we adopted the program by direction from the joint waste management committee. The intent of the clear bag program is to extend the life of the landfill. Mayor Hofstetter also stated that the municipality probably

could have done a better job at notifying and educating the ratepayers and apologized to Ms. Johnston.
