REPORT TO COUNCIL

DATE: September 7, 2016
TO: Members of Council
FROM: Beth Morton, Clerk/Administrator
RE: By-law 2016-45 Appointment of CBO and BI Pro Tempore

Recommendations:

That Council pass By-law No. 2016-45 enacting Jeff Peppin is the Chief Building Official and Building Inspector Pro Tempore.

Overview:

The Town of Huntsville and Lake of Bays are finding it increasingly difficult to continue to provide the Township of Perry with Building Services given that the fall is their busiest time of year in their Building Departments.

It was requested by both municipalities that we look into alternate arrangements to assist until a more permanent arrangement can be found.

Jeff Peppin, CBO of Callander is willing to provide the Township with full CBO and BI services. Jeff is available to complete permit reviews and will coordinate inspections two evenings a week to ensure that the Township maintains inspection schedules. His services will be provided outside his regular hours with the Town of Callander.

We have not been able to accommodate office hours with any arrangement, however all questions have been directed to Senior Management and we have ensured that they have been answered in a timely manner.

It is my recommendation that Council enact By-law 2016-45 to ensure that our Building Department continues to efficiently operate until we have permanent arrangement in place. The appointment of Pro Tempore reflects that this appointment is on a temporary basis.
