

## Township of Perry

### Tent Permit Requirements (As per 2012 Ontario Building Code)

**A permit for a tent or group of tents is required when the tent or group of tents are:**

- a) Over 60 m<sup>2</sup> (approximately 645 ft.<sup>2</sup>) in aggregate ground area;
- b) Attached to a building; and
- c) Constructed closer than 3 m (approximately 10 ft.) from other structures.

**A permit for an air support structure is required if the structure is over 10 sq.<sup>2</sup> (108 ft.<sup>2</sup>), must conform to subsection 3.14.2 of the Ontario Building Code.**

**Tents or air support structures (as per Ontario Building Code 9.1.1.4) are to conform to the requirements in subsection 3.14.1 or 3.14.2 as applicable of the Ontario Building Code.**

**An application for a tent or air support structure permit shall include:**

- a) A building permit application form fully completed;
- b) A detailed site sketch with dimensions, outlining the lot, existing structures, proposed tent(s) or air support structure(s), distances from each other, other structures, water bodies or tributaries, property lines and location of septic bed & septic tank;
- c) A layout (floor plan) of the tent outlining interior arrangement, i.e. tables, chairs, aisles, band, food services, bar, dance floor, etc.
- d) Indicate the location and number of exits for tent(s) or air support structure(s);
- e) Provide proof of Flame Resistance Rating (provided by tent supplier), and;
- f) Permit fee of \$125.00.

**For tent(s) or air supported structure(s) exceeding 225 m<sup>2</sup> (2,422 ft.<sup>2</sup>) are closer than 3 m (10 ft.), contain bleachers and have sidewalls, additional requirements can be found in subsection 3.14.1 or 3.14.2 as applicable of the Ontario Building Code.**

**A permit for a tent or group of tents is not required provided the tent or group of tents are:**

- a) Not more than 60 m<sup>2</sup> (approximately 645 ft.<sup>2</sup>) in aggregate ground area;
- b) Not attached to a building, and;
- c) Constructed more than 3 m (approximately 10 ft.) from other structures.
