

## Cottage Renters' Guide for Waste Disposal

The Township of Perry Transfer Station requires that all waste be properly sorted before disposal.

**Incorrectly sorted or contaminated loads will be refused.**

Please refer to the following guidelines before proceeding to the depot:

- Recycling is mandatory and cannot be mixed in with food waste.
- Waste should be in clear bags no larger than 26x36.
- All recycling should be clean and free of food waste.
- Paper, boxboard and cardboard are to be in one bag or blue box.
- Glass, cans and plastic in a separate bag or blue box.
- Owners are responsible for providing a valid Transfer Station pass to renters for waste disposal. A \$10 charge applies for replacement cards if misplaced.
- If the pass has exceeded the limit of 5 bags in a month, a charge of \$2 per bag of waste will apply.

The Township appreciates your cooperation in keeping our landfill clean.
