

Fire Department Celebratory and Thank-You Displays

Feeling isolated? Do you have a special celebration or birthday coming up? Would you like to say Thank-You to a frontline essential service worker?

The Perry Township Fire Department is looking to help our community during the pandemic. We will dispatch our Fire Crew and Trucks in a celebratory display, blasting sirens and honking horns to help bring a smile and cheer to your special someone.

Reach out today with your name, the date and time best suited for a display, and the reason for the Thank-You, celebration, or birthday. Remember to include the name of your special someone so we can wish them all the best.

Help us make someone's day in our community and email us today!

Dan Marshall, Fire Chief
Perry Township Fire Department
Email: dan.marshall@townshipofperry.ca

***We thank all interested parties and will make every attempt to accommodate everyone, including specified dates & times. However, please note that we may not be able to process all requests received. At this time, we cannot confirm when we will stop offering celebratory displays.*
