

Community Centre Rentals Suspended Until Further Notice (September 21, 2020)

Please be advised that due to the Ontario Government's new limit on the number of people allowed to attend an indoor private gathering, **rentals at both the Emsdale and Novar Community Centres will be suspended until further notice.**

As the Township continues to work diligently to help prevent the community spread of COVID-19, the suspension of hall rentals will be reviewed often and may be extended as new information becomes available.

For up-to-date information and resources pertaining to COVID-19, please regularly check the Ontario Government Website at <https://covid-19.ontario.ca/>. As always, for emergency assistance, please call 9-1-1.

Thank you for your understanding during this time.

Mayor, Council, and Staff
Township of Perry
