

**Notice to Residents:
Potential Road Work in Novar and Emsdale Communities**

Please be advised that Lakeland Networks will be conducting work, which may include work parallel to Township roads, in the communities of Novar and Emsdale.

Lakeland Networks received federal funding to bring high-speed fibre internet to underserved households and businesses in rural communities. The project will stretch up the Highway 11 corridor through the Almaguin Highlands Region.

The Township is pleased to support Lakeland Network in their effort to bring the highest technology fibre optic connectivity to northern municipalities.

Should you have any questions, please contact the Municipal Office at 705-636-5941 or Lakeland Networks directly at 705-645-2670 ext. 504.
