Mayor Hofstetter as the Chair advised that this is a Public Meeting to hear public comments and answer questions regarding the proposed Zoning By-law Amendment for lands legally described as Part of Lot 19, Concession 9, located on Super Sign Road.

He outlined how the Public Meeting would be conducted. He stated that the Clerk/Administrator, Beth Morton would advise as to when, how and to whom notice of the public meeting was circulated and outline the purpose of the proposed By-law.

He noted that the public meeting is not a public debate on the matter. The public will be afforded the opportunity to provide their comments or questions. He outlined that persons in favour of the application would go first. Those in opposition to the application would follow. He also advised that people providing comments or questions are asked to present them through him as the Chair.

He then noted that Council will have the opportunity to question the applicants, planning consultants or agents. He also advised that Council will consider the Zoning By-law Amendment at the March 17<sup>th</sup>, 2021 Meeting of Council. He stated that all persons addressing Council must state their full name, full mailing address and postal code and must direct their comments through the Chair.

Mayor Hofstetter then requested that the Clerk/Administrator, Beth Morton advise as to how and to whom notice of the public meeting was circulated.

The Clerk/Administrator, Beth Morton advised that Notice of this Public Meeting was given by posting the application on the Township's website, [www.townshipofperry.ca](http://www.townshipofperry.ca) on January 29, 2021; posted at the property; and forwarding it to all persons and public bodies as prescribed under the *Ontario Planning Act* Regulation, including owners within 120 metres of the applicant's property; and to those requested.

The Clerk/Administrator further explained the purpose of the proposed By-law. The proposed By-law is to rezone the lands from the Rural (RU) Zone, environmental Protection (EP) Zone and Light Industrial (M1) Zone to the Rural Residential (RR) Zone in order to allow for residential uses on the proposed severed lands. The Environmental Protection (EP) Zone has been altered to reflect the finds of the FRI Ecological Wetland Delineation Study. The Zoning By-law Amendment is a condition of Consent Applications B-029/20 and B-030/20 filed with the Southeast Parry Sound District Planning Board. In all other respects, the provisions of Zoning By-law 2014-21 shall apply.

A full report was presented to Council and staff are recommending approval of the application.

Mayor Hofstetter then declared this to be a public meeting to deal with the proposed Zoning By-law amendment.

The applicant or their representative/agent was not in attendance.

No members of the public were in attendance to comment on the proposed zoning by-law amendment.

There were no questions or comments from Council.

Mayor Hofstetter then asked the Clerk/Administrator, Beth Morton what correspondence has been received with respect to the application.

As of 4:30 p.m. today, the Township has not received any comments from the public. The Ministry of Transportation (MTO) has reviewed the application and determined that the subject lands are within MTO's permit control area. MTO advised any development should go through a pre-consultation with the MTO prior to submitting any site plan applications to the Township.

Mayor Hofstetter advised that those wishing to receive further notice of the Notice of Decision of the Zoning By-law must make a written request as per previous instructions. He advised that Council will be considering the by-law at the March 17<sup>th</sup>, 2021 Meeting of Council and outlined that once Council makes a decision on the by-law, there is a 20-day appeal period from the date of decision of the by-law during which time any person may appeal the decision of Council to the Local Planning Appeal Tribunal.

Having received no further questions or comments, Mayor Hofstetter declared this public meeting to be concluded and presented the following resolution:
