He outlined how the Public Meeting would be conducted. He stated that the Clerk/Administrator, Beth Morton, would advise as to when, how and to whom notice of the public meeting was circulated and outline the purpose of the proposed By-law.

He noted that the public meeting is not a public debate on the matter. The public will be afforded the opportunity to provide their comments or questions. He outlined that persons in favour of the application would go first. Those in opposition to the application would follow. He also advised that people providing comments or questions are asked to present them through him as the Chair.

He then noted that Council will have the opportunity to question the applicants, planning consultants or agents. He also advised that Council will consider the Zoning By-law Amendment at the June 1st, 2022, Meeting of Council. He stated that all persons addressing Council must state their full name, full mailing address and postal code and must direct their comments through the Chair.

Mayor Hofstetter then requested that the Clerk/Administrator, Beth Morton advise as to how and to whom notice of the public meeting was circulated.

The Clerk/Administrator, Beth Morton, advised that Notice of this Public Meeting was given by posting the application on the Township's website, www.townshipofperry.ca on April 26th, 2022; posted at the property; and forwarding it to all persons and public bodies as prescribed under the *Ontario Planning Act* Regulation, including owners within 120 metres of the applicant's property; and to those requested.

The Clerk/Administrator further explained the purpose of the proposed By-law is to rezone a portion of the lot being 0.513 hectares in size from the Rural Residential (RR) Zone to the Residential One (R1) Zone. The application will be a condition of Consent for the creation of one new lot for residential purposes which has been filed concurrently with the Southeast Parry Sound District Planning Board. In all other respects, the provisions of Zoning By-law 2014-21 shall apply.

A full report was presented to Council and staff are recommending approval of the application.

Mayor Hofstetter then declared this to be a public meeting to deal with the proposed zoning by-law amendment.

The applicant was in attendance and highlighted that the proposed rezoning is required as part of the consent application submitted through the South East Parry Sound District Planning Board. The proposed severed lot will be a suitable building lot to construct one single-family dwelling.
