

The Vacation Rental Kit

A great alternative to managing

TRANSFER STATION CARDS at vacation rental properties

If you rent your property on a weekly basis, you know the hassles of trying to manage your Transfer Station cards. There is now a **convenient, affordable, simple solution** that your renters will appreciate as much as you will.

The Vacation Rental Kit contains everything a renter needs in order to manage their garbage and recycling for a week, plus it **includes a one-time Transfer Station Pass** that eliminates the need for a Transfer Station card. No more having to back-track to the vacation rental to leave the Transfer Station card for the next renters! That leaves more time to enjoy the vacation rental property!

In the Vacation Rental Kit your renters will also find,

- a brochure of Township's waste management program, which may be a bit different from what they are used to at home
- 1 clear plastic bag for household garbage
- 1 clear plastic bag for recyclable containers
- 1 large paper bag for recycling fibres/papers
- A map showing the location of the Transfer Station, together with hours of operation
- Disposal fees and what materials are accepted
- Information on Campfires and the Township's "No Fireworks" Policy

Available for purchase at the Municipal Office (1695 Emsdale Road) and from the Transfer Station (775 Hwy 592 N).

Leave a Vacation Rental Kit for each renter and never worry again about whether the Transfer Station card has been returned for the next person or if your renters are adhering to the Township's waste management program.

For more information on the Vacation Rental Kit or to order large quantities, please contact the Municipal Office at 705-636-5941
