## **Volunteer Opportunity for a Representative on the East Parry Sound Veterinary Service Committee**

The Township of Perry is seeking a large animal owner within the Township to volunteer to serve as Perry's representative on the East Parry Sound Veterinary Service Committee.

The Northern Producer Animal Health Network (NPAHN) contributes to the development and maintenance of a viable and diverse livestock industry in northern Ontario through the provision of veterinary services to large animal owners and support activities including veterinary recruitment and retention, producer education, and communication. NPAHN has created 20 local committees in their designated communities that represent the large animal owners – the users of the Veterinary Assistance Program. These committees are called Veterinary Service Committees (VSC's) - they represent all large animal owners in their designated areas, advise NPAHN of local large animal health care issues, make suggestions for program improvements, name the contract vet(s) yearly that they want to provide health care services under the Veterinary Assistance Program and seek replacement veterinarians as the need arises. The Township is represented by the East Parry Sound Veterinary Service Committee. The Committee generally meets once a year in the Fall.

If you are a large animal owner and are interested in serving on the Committee, Letters of Interest may be submitted until 4:00 pm on Thursday, January 29, 2026 by email: [admin@townshipofperry.ca](mailto:admin@townshipofperry.ca); in person at the Municipal Office during regular business hours or placed in the drop off box located at the side entrance; or by mail to:

Beth Morton, Clerk-Administrator

Township of Perry

Box 70, 1695 Emsdale Road

Emsdale, ON POA 1J0

Personal information collected will be used in accordance with the *Municipal Freedom of Information and Protection of Privacy Act* for the purposes of volunteer selection.
