Perry Fire Department Fall Safety Message

- Test all smoke alarms and carbon monoxide alarms monthly and replace batteries as required.
- Practice and discuss a home fire escape plan with all family members.
- Have chimneys, wood stoves, and heating appliances inspected and cleaned before the heating season.
- Use portable heaters safely by keeping them at least one metre (three feet) away from combustible materials and never leaving them unattended.
- As hunting season and outdoor activities continue through the fall, exercise caution with campfires and ensure all fires are fully extinguished before leaving the area.
- Shorter daylight hours and changing weather conditions, remember to slow down and watch for emergency vehicles responding to incidents.

Public Works Department Safety Message

Vehicle Parking

During the snowy months (Nov. 1 - Apr. 15), from 2:00AM—6:00AM vehicles are prohibited from parking on a Township Road so you won't interfere with snow removal services. Vehicles that are not abiding will be towed.

Shoveling Snow

DO NOT shovel the snow from your property onto Township Roads! The Roads Department is working hard to maintain the roads during this extremely cold & everchanging weather. Please be patient and dispense your snow into your property. Thank you for your understanding!

Drive SLOW!

The usual speed limits do not account for dangerous road conditions. Please drive with caution and reduce your speed during winter road conditions. Driving slower during these extreme weather months could keep you alive!
